

**2016 Connecticut Annual Aggregate Information
Number of Deaths, Serious Injuries and Incidences of Substantiated Child Abuse
and Neglect in Child Care Settings**

Deaths

4 (2 licensed and 2 unlicensed)

Substantiated Abuse/Neglect Findings-Licensed Facilities Only

Licensed Child Care Centers- 1 Abuse, 3 Neglect

Licensed Group Child Care Homes- 0 Abuse, 0 Neglect

Licensed Family Child Care Homes- 2 Abuse, 4 Neglect

Serious Injuries

0

Reason for low injuries:

(1) Currently, licensed child care programs are only required to report deaths and injuries that result in a child's admission to a hospital.

(2) Only in the past couple months, has the licensing data system been able to track injuries.
